## General Spring Cleaning Tasks

### Tests and replacements

- Test smoke alarm
- Test carbon monoxide alarm
- Check flashlight batteries
- Check fire extinguishers
- Change air filters
- Check all window screens for tears and repair or replace as required
- Check every light switch plate, socket cover and door knob in the house

### Other considerations

- Consider stripping, buffing or waxing floors (depending on the type of floor you have)
- Consider having your outside windows professional cleaned (if a condo does not take care of this)
- Consider having your ducts cleaned, should be done once every 5 years
- Consider cleaning your BBQ and patio furniture to prepare for the upcoming warmer weather
